

INSTRUMENTAL MUSIC LESSONS 2019

Dear Parents,

As your son/daughter is currently enrolled in Instrumental Music Lessons at Alkira, this is a letter to notify you of some changes to the Instrumental Music Program next year. Due to the timetable being restructured in 2019, Instrumental Music Lessons will be running for 30 minutes with a change in price to \$110 per term to reflect this. In an average 10 week term this means you will only be paying \$11 per lesson, a much better rate than external music studios in the area which charge \$30 per lesson on average. Lesson times will still rotate each week to ensure that students don't miss out on the same classes and all lessons will be one on one to maximise learning time for the students. Please find attached an enrolment form for 2019 as well as the terms and conditions. If you have any queries feel free to contact me by email at imusic@alkirasecondarycollege.com.au.

Regards,
